

## I-129 Deemed Export Control Requirement

This certification must be completed by the supervisor of the nonimmigrant employee or someone who is otherwise knowledgeable about the beneficiary's intended work. If you do not have the information to complete this certification relating to Deemed Export Control (EAR or ITAR) please contact the Office of Research. ISSS will complete the H-1B application once the office receives confirmation that the position does not fall under the scope of the Deemed Export Control. Alternately, if an Export Control license is necessary, clearance must be granted by the Office of Research. Any future changes or extensions of the sponsored H-1B worker's employment must also be reviewed for compliance.
